TPR New Product!

LED Illuminator for Fiber Optics

The TPR LED Illuminator is a revolutionary new way of creating high performance and energy efficient LED/Fiber Optic hybrid systems. It has the power of a 150W Metal Halide, is extremely compact, and can drive any of our Fiber Optic Cables!

- Only 40 total Watts.
- Available in Cool White, Warm White or RGBW.
- 50,000 hour lamp life at 70% maintenance.
- Directly retrofit any Fiber Optic system.
- Only 7" x 5" x 6"
- Auto switching power supply from 100-240V

This LED Illuminator is a perfect solution for Water Feature Lighting, Display Case Lighting, MRI rooms, and Star Curtains. It now brings Fiber Optics back to the leading edge of Lighting Systems.
