

TPR LED NEON RGBW FLAT TOP

IP67

TPR LED Neon RGBW

Description:

The **TPR LED Neon RGBW** is a flexible Neon replacement for Architectural and Entertainment venues. It is IP67 rated for extreme weather and uses DMX 512 for control. Great for outlining buildings and creating curved lines of light, this product also has UV inhibitors. It also cuts to length every 3.937" for custom length runs. This product is available in RGB and RGB-W (both 2700K and 4000K).
