

## TPR Outdoor Signal Booster for DMX

IP65

### Description:

The **TPR Outdoor DMX Signal Booster** is a wet location (IP65 rated) DMX accessory for conveniently boosting your DMX signal. The signal gets amplified and opto-isolated for maximum strength and protection. This DMX signal booster employs the use of IP65 connectors for use in outdoor environments and is designed for use with the Phantom series of flood lights and most of TPR's linear wall washers.
